All sponsorships will be publicly thanked
and included in the conference packets
distributed during the conference.

THE AGENDA

Why Should You Attend?

The Wisconsin Precast Concrete Association will hold its annual winter conference on Tuesday, January 10, 2012, and Wednesday, January 11, 2012, at the Holiday Inn Hotel & Suites (West) in Madison, Wisconsin.

This year's winter convention is going to be very important. We'll be having discussions on the corrosion issue which will impact all of us for decades to come. Exhibit time also has been scheduled both Jan. 10 & 11; vendors will be given the opportunity to address the general membership and display their products. Scholarship awards will be presented following dinner.

Comments, concerns or suggestions that you would like to have placed on the agenda for Tuesday's membership meeting should be sent to the Association office by December 31, 2011.

If you have any questions, please call Kim Cunningham at the WPCA office at (608) 256-7701 ext. 2. We look forward to seeing you in January.
